        System.out.println("=========================================");
    }
}
```

Output:

```
==== ENROLLMENT ASSESSMENT SYSTEM ====

Student Name: Daryl

(1. STEM  2. ABM  3. HUMSS  4. TVL  5. Others)
Strand: 4

Entrance Exam Score (0-100): 85
Interview Score (0-100): 75

(1. Pass  2. Fail)
First Screening Result:  1

===== ENROLLMENT ASSESSMENT RESULT =====

Student Name:           Daryl
SHS Strand:             TVL
Final Evaluation Score: 81.00
Admission Result:       Admitted
Recommended Program:    BSIT
