User Input:

```

---EXPENSE TRACKER---
Input Budget:
5000

Menu
1. Show Budget
2. Add Expenses
3. Exit
Choice:
2
Food:
500
Transportation:
500
Other:
300

Add more category?
1. Yes
2. No
Choice:
1
More:
500

```

```
Add more category?
```

```
1. Yes
```

```
2. No
```

```
Choice:
```

```
1
```

```
More:
```

```
200
```

```
Add more category?
```

```
1. Yes
```

```
2. No
```

```
Choice:
```

```
2
```

Output:

```
Food: 500.0
```

```
Transportation: 500.0
```

```
Others: 300.0
```

```
More: 700.0
```

```
-----
```

```
Total Expenses: 2000.0
```

```
You have 3000.0 left
```

```
